## How to play Bibliography Bingo

- Use a separate sheet for each secondary source you find
- Check each of the fields that apply
- ONLY use sources if you have at least 3 ticks in the centre 9 fields

Once you have decided to use the source, take a note of:

Full bibliographic reference (in the referencing system you are using):

---

---

Where it is (if in a library, note down the number):

---

Further notes and thoughts:
